- d) In the case of a dispute regarding the FTE used to determine the Board's benefit contributions to the ELHT, the dispute will be resolved between the Board and the Local union represented by EWAO-ATEO.
- e) For the purposes of section 7.3(b) of the ELHT Agreement and Declaration of Trust, the parties agree that the Trustees shall use the following calculation to determine the amount that EWAO-ATEO will reimburse the school board for benefits contributions made by a school board to the ELHT during a period of strike or lock-out resulting in EWAO-ATEO education workers withdrawing their full services:

Sick leave days may be used for reasons of personal illness, personal injury, personal medical appointments, or personal dental emergencies only. Appointments shall be scheduled outside of working hours, where possible.

Eligibility and Allocation

A sick leave day/short term disability leave day will be allocated and paid in accordance with current Local practice.

Any changes to hours of work during a fiscal year shall result in an adjustment to the allocation.

Permanent Employees

The allocations outlined in paragraphs b) and c) above will be provided on the first day of each fiscal year, or the first day of employment, subject to the exceptions below:

Where a permanent Employee is accessing sick leave and/or the short-term disability plan in a fiscal year and the absence continues into the following fiscal year for the same medical condition, the permanent Employee will continue to access any unused sick leave days or short-term disability days from the previous fiscal year's allocation.

A new allocation will not be provided to the permanent Employee until s/he has returned to work and completed eleven (11) consecutive working days at their regular working hours. The permanent Employee's new sick leave allocation will be eleven (11) sick leave days payable at 100% wages. The permanent Employee will also be allocated one hundred and twenty (120) short term disability leave days based on the provisions outlined in c) above reduced by any paid sick days already taken in the current fiscal year.

If a permanent Employee is absent on his/her last regularly scheduled work day and the first regularly scheduled work day of the following year for unrelated reasons, the allocation outlined above will be provided on the first day of the fiscal year, provided the employee submits medical documentation to support the absence, in accordance with paragraph (h).

Employees on Long Term Supply Assignments

Employees completing long term supply assignments may only access sick leave and short-term disability leave in the fiscal year in which the allocation was provided. Any remaining allocation may be used in subsequent long-term supply assignments, provided these occur within the same fiscal year.

Employees employed in a long-term supply assignment which is less than the ordinary period of employment for the position shall have their sick leave and short-term disability allocations pro-rated accordingly.

Where the length of the long-term supply assignment is not known in advance, a projected length must be determined at the start of the assignment in order for the appropriate allocation of sick leave/short term disability leave to occur. If a change is made to the length of the assignment, an adjustment will be made to the allocation and applied retroactively.

d) Refresh Provision for Permanent Employees

Permanent Employees returning from LTD or workplace insurance leave to resume their regular working hours must complete eleven (11) consecutive working days at their regular working hours to receive a new allocation of sick/short-term disability leave. If the Employee has a recurrence of the same illness or injury, s/he is required to apply to reopen the previous LTD or WSIB claim, as applicable.

The Local union and Local school board agree to continue to cooperate in the implementation and administration of early intervention and safe return to work processes as a component of the Short-Term Leave and Long-Term Disability Plans.

In the event the Employee exhausts his/her sick/short-term disability leave allocation from the previous year and continues to work part-time, their salary will be reduced accordingly and a pro-rated sick/short-term allocation for the employee's working portion of the current year will be provided. The new pro-rated sick/short-term leave allocation may not be used to top-up from part-time to full-time hours. Any changes to hours of work during a fiscal year shall result in an adjustment to the allocation.

For the purposes of d) and e) of this article, eleven (11) consecutive working days of employment shall not include a period of leave for a medical appointment, which is related to the illness/injury that had been the reason for the employee's previous absence, but days worked before and after such leave shall be considered consecutive. It shall be the employee's obligation to provide medical confirmation that the appointment was related to the illness/injury.

e) WSIB & LTD

An Employee who is receiving benefits under the Workplace Safety and Insurance Act, or under a LTD plan, is not entitled to benefits under a school board's sick leave and short term disability plan for the same condition unless the employee is on a graduated return to work program then WSIB/LTD remains the first payor.

For clarity, where an employee is receiving partial benefits under WSIB/LTD, they may be entitled to receive benefits under the sick leave plan, subject to the circumstances of the specific situation. During the interim period from the date of the injury/incident or illness to the date of the approval by the WSIB/LTD of the claim, the employee may access sick leave and short term leave and disability coverage. A reconciliation of sick leave deductions made, and payments provided, will be undertaken by the school board once the WSIB/LTD has adjudicated and approved the claim. In the event that the WSIB/LTD does not

approve the claim, the school board shall deal with the absence consistent with the terms of the sick leave and short term leave and disability plans.

f) Graduated Return to Work

Where an Employee is not receiving benefits from another source and is working less than his/her regular working hours in the course of a graduated return-to-work as the Employee recovers from an illness or injury, the Employee may use any unused sick/short term disability allocation remaining, if any, for the portion of the day where the Employee is unable to work due to illness or injury. A partial sick/short term leave day will be deducted for an absence of a partial day in the same proportion as the duration of the absence is to an employee's regular hours.

Where an employee returns on a graduated return to work from a WSIB/LTD claim and is working less than his/her regular hours, WSIB and LTD will be used to top up the employee's wages, as approved and if applicable.

Where an employee returns on a graduated return to work from an illness which commenced in the previous fiscal year,

- and is not receiving benefits from another source;
- and is working less than his/her regular hours of work;
- and has sick leave days and/or short-term disability days remaining from the previous year

The employee can access those remaining days to top up their wages proportional to the hours not worked.

Where an employee returns on a graduated return to work from an illness which commenced in the previous fiscal year,

- and is not receiving benefits from another source,
- and is working less than his/her regular hours of work,
- and has no sick leave days and/ or short-term disability days remaining from the previous year,

the employee will receive 11 days of sick leave paid at 100% of the new reduced working hours. When the employee's hours of work increase during the graduated return to work, the employee's sick leave will be adjusted in accordance with the new schedule. In accordance with paragraph c), the Employee will also be allocated one hundred and twenty (120) short term disability days payable at ninety percent (90%) of regular salary proportional to the hours scheduled to work under the graduated return to work. The new pro-rated sick/short-term leave allocation may not be used to top-up from part-time to full-time hours.

g) Proof of Illness

Sick Leave Days Payable at 100%

A Board may request medical confirmation of illness or injury and any restrictions or limitations any Employee may have, confirming the dates of absence and the reason thereof (omitting a diagnosis). Medical confirmation is to be provided by the Employee for absences of five (5) consecutive working days or longer.

Short Term Disability Leave

In order to access short-term disability leave, medical confirmation may be requested and shall be provided.

In either instance where an Employee does not provide medical confirmation as requested, or otherwise declines to participate and/or cooperate in the administration of the Sick Leave Plan, access to compensation may be suspended or denied. Before access to compensation is denied, discussion will occur between the Union and the school board. Compensation will not be denied for the sole reason that the medical practitioner refuses to provide the required medical information. A school Board may require an independent medical examination to be completed by a medical practitioner qualified in respect of the illness or injury of the Board's choice at the Board's expense.

In cases where the Employee's failure to cooperate is the result of a medical condition, the Board shall consider those extenuating circumstances in arriving at a decision.

h) Notification of Sick Leave Days

The Board shall notify employees and the Bargaining Unit, when they have exhausted their 11-day allocation of sick leave at 100% of salary.

i) Pension Contributions While on Short Term Disability

Contributions for OMERS Plan Members:

When an employee/plan member is on short-term sick leave and receiving less than 100% of regular salary, the Board will continue to deduct and remit OMERS contributions based on 100% of the employee/plan member's regular pay.

Contributions for OTPP Plan Members:

- i. When an employee/plan member is on short term sick leave and receiving less than 100% of regular salary, the Board will continue to deduct and remit OTPP contributions based on 100% of the employee/plan member's regular pay.

- ii. If the plan employee/plan member exceeds the maximum allowable paid sick leave before qualifying for Long Term Disability (LTD)/Long Term Income Protection (LTIP), pension contributions will cease. The employee/plan member is entitled to complete a purchase of credited service, subject to existing plan provisions for periods of absence due to illness between contributions ceasing under a paid short-term sick leave provision and qualification for Long Term Disability (LTD)/Long Term Income Protection (LTIP) when employee contributions are waived. If an employee/plan member is not approved for LTD/LTIP, such absence shall be subject to existing plan provisions.

j) Top-up Provisions

Employees accessing short term disability leave as set out in paragraph c) will have access to any unused sick leave days from their last fiscal year worked for the purpose of topping up wages to one hundred percent (100%) under the short-term disability leave.

This top-up is calculated as follows:

Eleven (11) days less the number of sick leave days used in the most recent fiscal year worked.

Each top-up to 100% from 90 to 100% requires the corresponding fraction of a day available for top-up.

In addition to the top-up bank, top-up for compassionate reasons may be considered at the discretion of the board on a case by case basis. The top-up will not exceed two (2) days and is dependent on having two (2) unused Short Term Paid Leave Days/Miscellaneous Personal Leave Days in the current year. These days can be used to top-up salary under the short-term disability leave.

When employees use any part of a short-term disability leave day they may access their top up bank to top up their salary to 100%.

ARTICLE 10

GRIEVANCE PROCEDURE AND ARBITRATION

- 10.01 The purpose of this procedure is to secure, at the lowest possible administrative level, solutions to grievances which may from time to time arise. These procedures will be kept as informal as may be appropriate at any step of the procedure. Moreover, nothing contained in this Article 10 shall prevent a special services staff member from discussing personal or professional problems or complaints with the special services staff member's immediate administrative and professional supervisors.
- 10.02 (a) A "grievance" is a claim by any special services staff member (or members) or the Association or the Board, relating to the interpretation, application or administration of this Agreement, or is an allegation that this Agreement has been contravened.
- (b) The term "Grievance Committee" shall mean a committee consisting of two (2) members of the Association, appointed from time to time, and two (2) representatives of the Board, appointed from time to time by the Director of Education.
- 10.03 (a) Step One:
- A special services staff member having a grievance may, provided it is done with reasonable promptness, discuss the grievance with a representative of the Association, who may discuss the matter with the Executive Superintendent of Human Resources, or designate.
- (b) Step Two:
- If the grievance is not satisfactorily disposed of at Step One, the Association may, on behalf of the aggrieved special services staff member, within ten (10) days after the reply at Step One has been or should have been given, require a meeting of the Grievance Committee by delivering the grievance in writing to the Executive Superintendent of Human Resources or designee by email, courier, or by hand delivery.
- The Grievance Committee shall convene within ten (10) days after receipt of such grievance by the Executive Superintendent of Human Resources or their designee if the grievance has been hand delivered, or within twelve (12) days after the grievance has been emailed or couriered and shall seek to resolve the grievance.
- The aggrieved special services staff member and/or the special services staff member's representative and a representative of the Board may make representations regarding the grievance. If the Grievance Committee is unable to resolve the grievance, the Executive Superintendent of Human Resources shall, within five (5) days after the said meeting, deliver to the Association the written reply of the Board to the grievance.
- 10.03 (c) At Step 2 and beyond of the grievance procedure, APSSP may have the assistance of a consultant.
- 10.04 Any grievance arising directly between the Board and the Association or any grievance involving more than one special services staff member, instead of following the

procedure herein before set out, may be submitted in writing within a reasonable period by either of the parties hereto to the other. The parties agree to meet without delay in an attempt to settle the grievance. In the event that the parties are unable to settle such grievance within fifteen (15) days after submission of same, then the party to whom the grievance was delivered shall reply in writing to such grievance within a further five (5) days.

- 10.05 In the event that any grievance shall not have been satisfactorily settled pursuant to the foregoing provisions, the matter may then, by notice in writing given to the other party within ten (10) days after the time limited for exhaustion of the applicable procedures contained in the foregoing provisions, be referred either by the Association or the Board to arbitration.
- 10.06 The notice submitting to arbitration shall contain the name of the appointee to the Arbitration Board of the party making the submission. The recipient of the notice shall within ten (10) days of receipt of the notice, inform the other party in writing of the name of its appointee to the Arbitration Board. The two appointees so selected shall, within ten (10) days of the appointment of the second of them, appoint a third person who shall be the chairperson. If the recipient of the notice fails to appoint an appointee, or if the two appointees fail to agree upon a chairperson within the time limited, then in either such case the appointment shall be made by the Minister of Labour for the Province of Ontario upon the request of either party. No person may be appointed to the Arbitration Board who has participated directly in an attempt to settle the grievance.
- 10.07 The Arbitration Board shall hear and decide the grievance and shall issue its decision in writing and the decision shall be final and binding upon the parties and any special services staff member affected by it. The decision of a majority of the Arbitration Board is the decision of the Arbitration Board, but if there is no majority, the decision of the chairperson governs.

- 10.08 Notwithstanding Article 10.07, the Arbitration Board established as above shall decide the grievance submitted to it, including any question as to whether a matter is arbitrable, but shall have no power to alter, modify, or amend this Agreement, nor make any decision inconsistent therewith.
- 10.09 Notwithstanding the provisions of 10.06, 10.07 and 10.08, the parties may, by mutual agreement of the Association and the Board, refer the matter to a sole arbitrator. An employee may not have their dismissal taken through the steps of the grievance procedure if they have failed to successfully complete the probationary period. The probationary employee shall receive a written evaluation of their performance. - 11.04 a) In the event the circumstances require lay-off of seniority employees, the Board shall provide notice of impending lay-off in accordance with the Employment Standards Act, but with a minimum of six (6) weeks notice or pay in lieu thereof. Prior to any lay-off notice being provided to affected employees, the Board will advise the Association of the lay-off at least three (3) weeks prior to the issuance of the individual lay-off notices in order to provide for discussion relating to such lay-off, including possible alternatives to the lay-off.
- a) In the event of a lay-off the Board agrees that special services staff members shall be laid off from their classifications in reverse order of their seniority, except that a special services staff member may be retained out of line of seniority, where the more senior special services staff member does not have the necessary qualifications, ability, knowledge and skill to perform the work of the junior special services staff member. Special services staff members shall be recalled to their own or to any other job classification in order of their seniority, provided they have the necessary qualifications, ability, knowledge and skill to do the jobs available.

It is preferable that any leave granted commence at the beginning of, and terminate at the end of, a school term. In its discretion the Board may grant an extension of a further year to a leave granted for post-graduate study if, in the opinion of the Board, such extension is justified.

- (d) A special services staff member granted leave may, subject to the consent of the carrier, continue to be covered by any of the benefit plans referred to in Article 14 at the special services staff member's own expense. Any such application for continued coverage must be submitted at the same time as the application for the leave and on the appropriate form provided by the Board.
- (e) A special services staff member who is on such leave shall not be credited with any sick leave during the period of such leave.

Deferred Salary Leave Plan

- (f) The Board will grant leave of absence of one (1) year to special services staff members on the basis of spreading four (4) years' salary over five (5) years (hereinafter called the "Plan") on the following terms and conditions:
 - (i) any special services staff member who has completed at least two (2) years' employment with the Board may apply to participate in such Plan;
 - (ii) the maximum number of such leaves which may be granted under such Plan shall not exceed three in any one work year;
 - (iii) a special services staff member wishing to participate in such Plan shall apply on the form available from the Human Resources Department. The forms will be available on January 1 and must be received by the Human Resources Department on or before February 1 in order for the special services staff member to be considered for participation in the Plan commencing at the start of the following prescribed work year;
 - (iv) applications for such leave which have been approved by the immediate administrative and professional supervisors shall be considered by the Directors who shall make the final decision. Special services staff shall be informed of the approval within 60 days of the submission of the application.
 - (v) each special services staff member permitted to participate in the Plan shall enter into an agreement with the Board as follows:
 - (1) in each of the four (4) years of the Plan commencing the start of the prescribed work year next following approval the special services staff member shall be paid 80% of the salary and allowances to which the special services staff member is otherwise entitled under Article 18.
 - (2) the remaining 20% of such salary and allowances shall be retained by the Board and accumulated with interest credited

thereon at the rate payable from time to time by the Canadian Imperial Bank of Commerce on Daily Interest Savings Account and compounded annually;

- (3) the leave of absence shall commence on the first work day of the prescribed work year of the 5th year from the commencement of the special services staff member's participation in the Plan;
- (4) during such work year of the leave of absence the Board shall:
 - A. pay the special services staff member all the funds accumulated pursuant to (2) and interest earned in accordance with the foregoing either in a lump sum or in instalments in accordance with section 18.03, as the special services staff member may direct, and
 - B. pay that portion of the premiums payable for the benefit plans set out in sections 14.02, 14.03 and 14.04 which it would have paid if the special services staff member were not on leave;
- (5) the special services staff member shall pay that portion of the premiums payable for such benefit plans which the special services staff member would have paid if the special services staff member were not on leave and the special services staff member's contributions to the Ontario Municipal Employees Retirement System (or the Teachers' Superannuation Plan, if applicable);

- (6) subject to any other provisions of the collective agreement, on the special services staff member's return from the leave, the special services staff member shall be returned to the Social Services work site in which the special services staff member was employed immediately prior to such leave, if in the view of the Board it is practicable;
- (7) during such leave, the special services staff member's seniority shall accumulate but for the purposes of Article 18 the period of such leave shall not be regarded as experience;
- (8) the special services staff member shall not be entitled to any sick leave credits during the period of such leave but on the special services staff member's return from leave shall be entitled to any unused sick leave credits accumulated prior to taking such leave;
- (9) a special services staff member declared surplus under Article 11 or who leaves active employment with the Board while participating in the Plan must withdraw therefrom. The special services staff member shall then be paid within sixty (60) days a lump sum equal to the special services staff member's contributions plus interest accrued to date of the withdrawal;
- (10) the special services staff member may withdraw from the Plan
 - A. provided no replacement for the special services staff member has been engaged by the Board,
 - B. but may not do so after April 15 in the calendar year in which the leave is to be taken except with the consent of the Board;
- (11) notwithstanding the foregoing, the Board may, if it is unable to employ a special services staff member as a suitable replacement for the participating special services staff member who is on leave, defer such leave for up to one (1) year.

In such event the participating special services staff member may withdraw from the Plan and the special services staff member shall then be paid within sixty (60) days a lump sum equal to the special services staff member's contribution plus interest accrued to the date of such withdrawal;

- (12) if a special services staff member dies, retires, is dismissed or terminated or otherwise leaves active employment with the Board while participating in the Plan the special services staff member's personal representative, in the event of the special services staff member's death, or the special services staff member shall be paid such lump sum and interest accrued up to the date of the special services staff member's death, retirement, dismissal, termination or leaving, as the case may be;
- (vi) The implementation of the Plan is conditional on approval by Revenue Canada and the obtaining of an advance income tax ruling that any special services staff member entering the Plan will be subject to tax in each of the five years only on the amount of income actually received by her in the year and that the tax to be withheld by the Board shall be based on the amounts actually paid to the special services staff member.

- (c) if urgent personal business is for any reason not outlined in 16.05(b), the special services staff member shall first obtain the approval of the Supervising Superintendent or designate unless because of the urgency of the matter, the special services staff member is unable to seek such approval in which event the special services staff member may presume such approval without any penalty other than loss of pay if the approval is not subsequently given;
 - (d) with respect to urgent personal business, the total time which may be taken off in any contract year shall not exceed two (2) days; however, the Supervising Superintendent may extend such total time by up to an additional two (2) days;

- (b) All part-time and incomplete years of work will be prorated and expressed as a decimal fraction to two places of a complete work year. If the fraction determined above is 0.50 or greater, the qualified experience will be rounded up to the next whole number for the purposes of 18.07(a).

2. The Director of Education shall have the power to do and perform all things necessary for the conduct of the plan including the power, subject to appeal to the Board, to allow or disallow any sick leave credit or deduction therefrom under this plan and to compute upon severance of employment, the gratuity, if any, payable to the employee.

4. In the case of dispute with respect to any matter concerning the operation of this plan, the decision of the Board shall be final.
5.
 - (a) All employees of the Board or the permanent or probationary staff other than those subject to other agreements shall be included under this plan.
 - (b) Persons employed on a part-time basis shall be included under this plan. The benefits will be calculated on a pro rata basis. 6. Sick leave credits shall be calculated for a working year of ten (10) months from September 1 at the rate of two (2) days per month. Sick leave credits shall be calculated for a working year of more than ten (10) months from January 1 at the rate of two (2) days per month. For any employee commencing employment after the first day of the working year, the sick leave credit shall be prorated at the stated rate per month from the date of commencing employment until the end of the working year.
7. At the commencement of employment, and at the beginning of each working year, the employee's sick leave account shall be credited with the total current year's sick leave allowance at the stated rate per normal working month.

3. Where an employee of this Board becomes an employee of another board or municipality, said employee shall be entitled to a transfer of the employee's sick leave credit to the sick leave plan, if any, of the new employer. (Ref. The Municipal Act, section 386, paragraph 49)
4. No transfer into, or out of, the sick leave credit plan of this Board shall be made if the employee receives from the first of the two employers a gratuity or other allowance paid in respect to accumulated sick leave.

In the event of re-employment of an employee, the Board shall reinstate the accumulated sick leave allowance held by the employee on resignation, provided that the employee has not had intervening employment that interrupted the continuity under which such sick leave credits are accumulated and that the period of non-employment does not exceed six (6) months from the date of resignation.

PART 3 - ABSENCE WITH DEDUCTION FROM SICK LEAVE CREDIT

1. Absence for illness of the employee for a period of three (3) consecutive working days or less may be certified by the school principal or by the official of the Board in charge of the appropriate department. The Board reserves the right to have a medical practitioner of its own choice make an examination of an employee at any time before allowance for sick leave is given or while benefits from the plan are being received.
2. Deductions shall be made from an employee's sick leave credit for the number of days of absence because of illness. No salary payment shall be made to the employee for absence beyond the number of days to said employee's credit in the sick leave plan.
3. If an employee submits a resignation effective earlier than the last day of the working year, deduction shall be made from the sick leave credit for the remaining months of the year at the stated rate of allowance per month, or fraction thereof.

PART 4 – WORKPLACE SAFETY AND INSURANCE BOARD

Under the Workplace Safety and Insurance Act, this Board provides protection for its employees for loss of salary due to injury sustained in the course of duty. PART 5 - RETIREMENT GRATUITY

1. An employee, upon retirement or death, shall be entitled to a gratuity based on the unexpended portion of the employee's sick leave credit (less any

accumulated credits which have been used for leave purposes) in accordance with the following:

- i) the employee's normal weekly salary at the time of retirement or death shall be divided by 5. The result shall be multiplied by the number of unused accumulated days of sick leave times a percentage determined by crediting 1% for each of the employee's first 10 years of service with the Board plus 2% for each additional whole year of service up to and including the employee's 14th year and 3% for the 15th year and each additional year of service thereafter but in no circumstances shall such gratuity exceed 50% of the employee's annual rate of salary at the date of such retirement or death;
 - ii) only employees 60 years of age and over or receiving a pension from the OMERS Pension Fund shall be entitled to such gratuity;

The *Education Act* and the *Municipal Act*);
 - v) the computation of the gratuity shall be based only on sick leave accumulated in service with this Board.
2. The retirement gratuity shall be paid in one amount on the first of the month following termination of employment, according to the option of the employee.
 3. In the event of the death of an employee, the retirement gratuity calculated on the cumulative sick leave credits at the time of death shall be paid to the beneficiary named in the employee's Group Life Insurance Policy. 4. The Board shall have the right at all times to withhold payment of a gratuity to a person discharged for reasons which the Board may deem to have moral or legal implications.
